Hoover Presidential Foundation Welcomes Zach Bohannon to Board of Trustees

WEST BRANCH, IOWA – January 30, 2025 – The Hoover Presidential Foundation has announced the addition of Zach Bohannon to the Board of Trustees. Bohannon brings a wealth of experience in fundraising, finance, and leadership that will help accomplish the Foundation’s mission to support the Herbert Hoover Presidential Library and Museum, National Historic Site, and other programs that enhance the understanding of Herbert Hoover as president and humanitarian.

Bohannon currently serves as Market President of First Interstate Bank, overseeing the entire Iowa City-Cedar Rapids Corridor market. He provides leadership to these markets by directly managing the entire commercial lending team, while providing leadership and support for our other departments, including retail, treasury management, and wealth.

Bohannon’s interest in Herbert Hoover started as a child. A class trip to the Herbert Hoover Presidential Library and Museum and Herbert Hoover National Historic Site sparked that early interest. After a 2014 Final Four appearance in Dallas, TX as captain of the University of Wisconsin basketball team, he had the opportunity to meet former President George W. Bush. Years later, he attended the Hoover Presidential Foundation Celebration Banquet, when he saw Bush would be speaking and did so again the following year to hear Condoleezza Rice. After attending a presentation to the Rotary Club in Cedar Rapids on the renovation of the Herbert Hoover Presidential Library and Museum by the Hoover Presidential Foundation, he felt strongly that the organization was a special place to contribute his time and talents.

About the Foundation
